RECYLEX takes note of the postponement of the hearing before the Douai Court of Appeal

In the context of the appeal lodged by Recylex against the decisions of June 27, 2008 of the Lens Labour Court (*Conseil des Prud'hommes*, Industrial Section) concerning 493 former employees of the company Metaleurop Nord, the Douai Court of Appeal has decided to postpone today's hearing until October 30, 2009.

Recylex takes note of this postponement, which is due to the complementary request filed by the former employees who decided to extend their claim against the judicial liquidators of Metaleurop Nord, in addition to Recylex. Further to this new claim, the liquidators filed a request to postpone the hearing in order to defend their position.

As a reminder, the decision of the Lens Labour Court (*Conseil des Prud'hommes*, Executive Employment Section), concerning 91 former executive employees of the company Metaleurop Nord, is due to be handed down on September 15, 2009.
